

## **DOCUMENTS/ REGULATIONS**

The **IF anti-doping rules** are based on the **World Anti-Doping Code** and have been adapted to ADO's sport. And also to any **IF disciplinary rules** applicable to anti-doping and any of your relevant IF anti-doping guidelines or processes.

The **World Anti-Doping Code** is the core document that provides the framework for harmonized anti-doping policies, rules and regulations within sport organizations and among public authorities. It works in conjunction with 5 **International Standards** aimed at bringing harmonization among anti-doping organizations in various areas: Testing & Investigations (ISTI), Laboratories (ISL), Therapeutic Use Exemptions (ISTUE), Protection of Privacy and Personal Information (ISPPPI), and the **List of Prohibited Substances and Methods** (see **IF's Prohibited List** section).
